

Wednesday

Today is reading what you want to read day.

Red flower in a cup day.

Today is songs (slipping away)

when sitting in the café.

Yester (golden T-SHIRT) day

soil full of flowers

planted in the old, who

climbed a mountain / sailed a ship day.

Everybody

(needs somebody) wants the

same thing

day.

Walk back home,

think of the past when at home day.
